

Blain's
FARM & FLEET®

CITY OF MADISON
POLICE DEPARTMENT

Join us (WIBA-FM, WIBA-AM & WTSO) for Operation Toy Drive 2020 in partnership with Blain's Farm and Fleet Kids Helping Kids Community Toy Drive, now through 7pm Thursday December 3rd, 2020!

For more than 50 years, Toyland has been a tradition for families offering quality toys, games, and activities at great prices. Now families and their children can donate a toy to those less fortunate this holiday season.

How to Donate:

As we know 2020 has been a year like no other so all donations will go a long way!

Donate new unwrapped toys at Blain's Farm and Fleet in Verona or in Madison on Stoughton Road and the Blain's family will match up to \$200,000 in toys across the communities they serve.

Children can shop at any Blain's Farm & Fleet Toyland with mom and dad, choose their favorite toys and set one aside that they want to donate. Place the donations in the Kids Helping Kids bin near the exit door to help give a Merry Christmas to kids in your communities who may not have a present under the tree this year.
