- vi. The person does not possess the qualifications required under this chapter to hold the license.
- vii. The person has been convicted of manufacturing or delivering a controlled substance under Sec. 161.41(1), Wis. Stats.; of possessing, with intent to manufacture or deliver, a controlled substance under Sec. 161.41 (1m), Wis. Stats.; or of possessing, with intent to manufacture or deliver, or of manufacturing or delivering a controlled substance under a substantially similar federal law or a substantially similar law of another state.
- viii. The person knowingly allows another person, who is on the premises for which the license under this chapter is issued, to possess, with the intent to manufacture or deliver, or to manufacture or deliver a controlled substance.

(b) No violations under Section (1)(a) may be considered under this Subsection unless the licensee or permittee has committed another violation within one year preceding the violation. If a licensee or permittee has committed 2 or more

violations within one year, all violations committed within one year of a previous violation may be considered under this Subsection.

(2) Summons. Upon the filing of the complaint, the Board shall issue a summons, signed by the Clerk and directed to any peace officer in the municipality. The summons shall command the licensee complained of to appear before the Town Board on a day and time and at a place named in the summons, not less than three (3) days and not more than ten (10) days from the date of issuance, and show cause why the license should not be revoked or suspended. The summons and a copy of the complaint shall be served on the licensee at least three (3) days before the time at which the licensee is commanded to appear. Service shall be in the manner provided under sec. 801, Wis. Stats., for service in civil actions in circuit court.

(3) Procedure on Hearing.

(a) If the licensee does not appear as required by the summons, the allegations of the complaint shall be taken as true and if the Board finds the allegations sufficient, the license shall be revoked. The Clerk shall give notice of the revocation to the person whose license is revoked.

(b) The Town Board shall serve as the hearing agency for the Board. The Town Board shall retain an attorney to act as the hearing examiner and rule on objections, admissibility and legal issues. The chair of the Board, or the chair's designee shall conduct the hearing, administer oaths to all witnesses and may issue subpoenas. So far as practicable, the rules of evidence provided in sec. 227.45, Wis. Stats., shall be followed. The complainant shall have the burden of proving the charges by a preponderance of the evidence.

(c) If the licensee appears as required by the summons and denies the complaint, both the complainant and the licensee may produce witnesses, cross-examine witnesses and be represented by counsel.

(d) The Board shall engage a court reporter to keep a transcript of the proceedings. The licensee shall be provided a written transcript of the hearing at his or her expense. The Clerk shall mark and receive all exhibits admitted into the record.

(e) Within twenty (20) days of the completion of the hearing, the Board shall adopt findings of fact, conclusions of law and a disposition stating the action, if any, that the Town will take with respect to the license. The Board shall provide the complainant and the licensee with a copy of the report.

(f) If the Town Board, after considering the Board's report and any arguments presented by the complainant or the licensee, finds the complaint to be true, or if there is no objection to the complaint recommending suspension or revocation, the license shall be suspended for not less than three (3) days nor more than ninety (90) days or revoked, except that, if a complaint under Subdivision

(1)(a)(vi) is found to be true with respect to a license issued under Sec. 125.51(4)(v), Wis. Stats., the license shall be revoked.

(g) The decision of the Town Board shall be a final determination for purposes of judicial review. If the complaint is found to be true, the licensee shall pay to the Town the actual cost of the proceedings.

(h) The Town Clerk shall give notice of each suspension or revocation to the person whose license is suspended or revoked. If the Board finds the complaint untrue, the proceeding shall be dismissed without cost to the accused. If the Board finds the complaint to be malicious and without probable cause, the costs shall be paid by the complainant. The Board or Board may require the complainant to provide security for such costs before issuing the summons under this Ordinance.

(4) Effect of Revocation. When a license is revoked under this subsection, the revocation shall be recorded by the Town Clerk and no other license issued under this chapter shall be granted to such licensee or for such premises for a period of twelve (12) months from the date of the revocation.

(5) Judicial Review. The action of the Board in granting or failing to grant, suspending or revoking any license, or the failure of the Board to revoke or suspend any license for good cause, may be reviewed by the circuit court for Dane County, upon application by any applicant, licensee or resident of the Town. The procedure on review shall be the same as in civil actions instituted in the circuit court. The person desiring review shall file pleadings, which shall be served on the Board in the manner provided in Chapter 801, Wis. Stats., for service in civil actions and a copy of the pleadings shall be served on the applicant or licensee. The Board, applicant or licensee shall have 20 days to file an answer to the complaint. Following filing of the answer, the matter shall be deemed at issue and hearing may be had within 5 days, upon due notice served upon the opposing party. The hearing shall be before the court without a jury. Subpoenas for witnesses may be issued and their attendance compelled. The decision of the court shall be filed within 10 days after the hearing and a copy of the decision shall be transmitted to each of the parties. The decision shall be binding unless it is appealed to the court of appeals.

(6) Nonrenewal of License. The Town Attorney may, after investigation, commence an action before the Town Board to hear evidence and make a recommendation to the Board that a license issued pursuant to this chapter not be renewed. Alternatively, the Town Board may recommend that a nonrenewal be investigated by an outside counsel. The Chairperson shall, in writing, notify the licensee of the consideration of nonrenewal. Such notification shall be in the form of and shall serve as the summons and complaint and shall include a statement of the reasons for the consideration of the nonrenewal of the license in the same specificity required for a summons and complaint for revocation or suspension. If the license is recommended for nonrenewal, costs may be assessed against the licensee and any renewal application fee shall be forfeited. In all other respects, the provisions of Subsections (a)(1) and (2) shall apply. The commencement of this action shall stay action by the Board on the licensee's application until the Board makes its recommendation, notwithstanding this Ordinance. The Town Attorney shall prosecute

the action. The Town Board shall be advised by separate counsel in its deliberations on the matter if the Town Attorney has initiated the action.

(7) Other Provisions. Any license issued pursuant to this Ordinance shall be subject to such further regulations and restrictions as may be imposed by the Board by amendment to this section or by the enactment of new ordinances. If any licensee shall fail or neglect to meet the requirements imposed by such new restrictions and regulations her/his license may be revoked in accordance with this section. In case of revocation of any license or any violation of any provision of this ordinance in accordance with this section or by the court or for any reasonable cause except the imposition of new restrictions, no refund shall be made of any part of the license fee.

(8) If a business which receives a license hereunder is not opened within fifteen (15) days after issuance of the license, or the delayed effective date provided in the license, the license shall be deemed abandoned. A licensee holding a license to sell alcohol beverages who abandons such business shall forfeit any right or preference he may have to the holding of or renewal of such license. Abandonment shall be sufficient grounds for non-renewal or revocation of any alcohol beverage license. Eviction or foreclosure of the licensee from the licensed premises, or closing of the business for thirty (30) days or more, shall be prima facie evidence of abandonment, unless the Town Board grants permission for a temporary closing. All persons issued a license to sell alcohol beverages in the Town for which a quota exists limiting the number of such licenses that may be issued by the Town shall cause such business described in such license to be operated on the premises described in such license for at least one hundred fifty (150) days during the terms of such license, unless such license is issued for a term of less than one hundred eighty (180) days, in which event this subsection shall not apply. In the event that a licensee declares bankruptcy, the licensee shall notify the Town Clerk, and the Bankruptcy Trustee shall be required to apply for transfer of the license.

(9) Search Warrants.

(a) When complaint shall be made to the judge of the Circuit Court that intoxicating liquor is being sold or kept for sale in any particular building or premises in the Town in violation of this section, said judge, if s/he be satisfied that there is reasonable cause for such belief, shall issue her/his warrant to search for such intoxicating liquor.

(b) Such warrants shall be directed to any peace officer in the Town or the Sheriff's Department commanding such officer to search the building or premises designated and described therein, and to bring before the said judge of the Circuit Court any such intoxicating liquor and other evidence of violations, found being kept, sold, or kept for sale in violation of the provisions of this section, and the person in whose possession the same are found.

(c) When any officer, in the execution of a search warrant shall seize any intoxicating liquor or other evidence for which a search is authorized by this subsection, all such property or things shall be safely kept by the direction of the

court so long as shall be necessary for the purpose of being produced as evidence on any trial and as soon as may be afterward returned to the owner, destroyed, or otherwise disposed of as the judge of said court may direct.

(10) Exceptions.

(a) No license shall be required for the use of intoxicating liquor in hospitals or in bona fide institutions for the aged and infirm where such liquor is used for medicinal, mechanical, or scientific purposes only, or for one licensed to practice surgery or medicine in using alcohol in any form in the bona fide treatment of the sick or in using or prescribing such alcohol for such bona fide treatment.

(b) No provision of this chapter shall apply to alcohol intended for use and used in the manufacture and sale of any of the following when unfit for beverage purposes, namely:

- i. Denatured alcohol produced and used pursuant to acts of Congress and regulations promulgated thereunder;
- ii. Patent, proprietary, medicinal, pharmaceutical, antiseptic, and toilet preparations;
- iii. Flavoring extracts, syrups, and food products;
- iv. Scientific chemical, mechanical and industrial products.

(c) Any person who shall knowingly sell any of the products enumerated in the preceding subdivision for intoxicating beverage purposes, or who shall sell any of the same under circumstances from which he might reasonably deduce the intention of the purchaser to use them for such purposes, shall be guilty of a violation of this section.

(d) Nothing in this Chapter shall be construed to prevent any person from manufacturing wine or beer of any alcoholic content at his home or place of residence to be consumed by himself, his family, and guests without compensation.

(11) Point Values for Alcohol Beverage Violations and Revocations and Suspensions.

(a) Purpose and Definitions.

- i. The purpose of this subsection is to administratively interpret those portions of this Ordinance, relating to establishing an alcohol beverage demerit point system to assist in determining which license holder should be subject to suspension or revocation procedures.
- ii. Board means the Town Board.

(b) Point Schedule. The scale of demerit points is listed according to the type of alcohol beverage violation. This demerit point system is used to identify habitually troublesome license holders who have repeatedly violated state statutes

and Town ordinances, for the purpose of recommending suspension or revocation of their alcohol beverage licenses. The Schedule is attached to this Ordinance as Annex I.

(c) Violations, How Calculated. In determining the accumulated demerit points against a license within twelve (12) months, the Town shall use the date each violation was committed as the basis for the determination.

(d) Suspension or Revocation of License.

i. The Town Board requests that the Sheriff's Department and other police agencies furnish a copy of all incident reports involving licensees to the Town Administrator for monitoring the performance of licensees.

ii. The Board shall call before it for purposes of a revocation or suspension hearing all licensees who have accumulated 100 points in a twelve-month period as a result of court imposed convictions or who have had referred to it reports from the Town Administrator which, if believed, would result in 100 demerit points in twelve (12) months. If the demerit point accumulation, calculated from the date of violation, meets or exceeds 100 points in a 12-month period, the license shall be suspended for not less than three (3) days nor more than ninety (90).

iii. If the demerit points meet or exceed 125 points in any 12-month period, the license shall be revoked, and no other license shall be granted to such licensee for a period of twelve (12) months from the date of revocation. If the licensee is a corporation or limited liability company, the agent and shareholders or members of such corporation or limited liability company are also debarred from obtaining a license during the period of revocation.

iv. The procedure to be used for suspension or revocation shall be that found in this ordinance.

(e) Formal Expression of Concern. In those instances in which a licensee has accumulated less than 100 demerit points as determined by the Town Attorney, and additional violations on one date would result in the accumulation of at least 100 points but not more than 200 points, the Board may elect to call before it the licensee for purposes of a formal expression of concern. Formal expression of concern shall not apply to cases of failure to comply with an order pursuant to these ordinances. If the licensee appears, no discussion of the alleged facts underlying the assessment of demerit points shall be permitted unless the licensee requests such discussion. Such discussions may occur only if the licensee is advised that any statements made by the licensee and/or her/his representatives regarding the alleged facts may be considered by the Board in any subsequent suspension/revocation hearing which may result from the alleged violations which are the subject of the formal expression of concern. If the licensee appears, no points shall be assessed for the alleged violations which triggered the formal expression of concern. If the licensee fails to appear after service of the notice to appear, the matter shall be scheduled for a suspension/revocation hearing. Service

of the notice to appear shall be by first class mail sent to the agent, if the licensee is a corporation or a limited liability company, to the licensee if an individual, or to any partner if the licensee is a partnership. If the notice is returned by the Post Office as undeliverable, the notice may be left with any employee found on the licensed establishment at least 24 hours before the date and time of the scheduled appearance before the Board. A formal expression of concern in lieu of the assessment of demerit points may only occur once within a one-year period. This ordinance amendment shall apply only to violations that would trigger a formal expression of concern which occur after this ordinance is adopted.

7.8 OTHER PROVISIONS. Any license issued pursuant to this order shall be subject to such further regulations and restrictions as may be imposed by the Town Board of the Town of Black Earth by amendment to this section or by the enactment of new ordinances. If any licensee shall fail or neglect to meet the requirements imposed by such new restrictions and regulations her/his license may be revoked in accordance with this section. In case of revocation of any license or any violation of any provision of this ordinance in accordance with this section or by the court or for any reasonable cause except the imposition of new restrictions, no refund shall be made of any part of the license fee.

7.9 SEVERABILITY. The several terms and provisions of this section shall be deemed severable, and if any provision hereof or the application hereof to any person or circumstances is held invalid, the remainder of the section and the applicability of such provisions to other persons and circumstances shall not be affected thereby.
