

Town of Black Earth
Town Board Minutes
June 14, 2022
6:30 PM

The meeting was called to order.

Present were, Don Ripp, Tom Turk and Barb Parrell. Stephanie and Brenda were excused. Steve Parrell was also present at the meeting.

Proof of posting was Breunig CPA, Town Web site and the Cross Plains State Bank, Black Earth Branch.

Approval of the agenda was given on a Motion by Tom and second by Don. Motion was approved.

We did a telephone call with the Dane County Zoning Committee in regards to the Petition number DCPREZ-2021-11780 for Garret and Mary Handel.

After a brief discussion by the zoning committee, they asked me to speak on behalf of the Town of Black Earth Board.

I just explained that the plan has been in effect since 1981 with clarification to some wording in 2016.

Every parcel of land is not the same and needs to be treated separately. The land use plan is just that, a land use plan.

I explained how the Handel's have met all of the requirements we placed on them before we would give okay to the zoning changes. They met the driveway ordinance and the erosion control plan that was presented to the meeting on June 7, 2022.

No further questions from the Dane County Zoning Committee.

A motion was made by Tom and seconded by Don to adjourn the meeting. Motion passes 6:47 PM.

Barb Parrell
